THE DETROIT OPERA HOUSE

TO BENEFIT HUMBLE DESIGN & SAY DETROIT

Gigs for Digs will present its 5th annual special event on Friday, November 15, 2019, for the first time, at the iconic Detroit Opera House. Please join us as a select Event Sponsor, as we celebrate the partnership of Mitch Albom's SAY Detroit, with a benefit concert featuring the talent of Detroit's very own R&B singer Apropos, Detroit's Legendary Blues performer Thornetta Davis, and international recording artist, Thomas McClary's Commodores, with such hits as "Easy," "Brick House," "All Night Long," "Nightshift," and many more!

It promises to be a night to remember including Detroit's launching of Mitch's new book, "Finding Chika: a Little Girl, an Earthquake, and the Making of a Family." Mitch will also moderate a heartwarming discussion with Humble Design Founders Treger and Rob Strasberg, along with other special guests on stage!

Humble Design and SAY Detroit have enjoyed a partnership for many years, helping families in this region transition out of homelessness and into their own homes by rebuilding existing homes, designing and furnishing them, and giving each family a safe, secure environment in which to grow and thrive.

Please be an integral part of a very special evening by being a sponsor for this event. Your generosity and support enables us to help so many others in need. On behalf of Humble Design and SAY Detroit, and all those we serve, we thank you from the bottom of our hearts.

Please fill out the attached form and return via email, regular mail, or visit www.humbledesign.org to fill out the form online.
